Record date decided for stock split at Beijer Electronics AB (publ)

The Annual General Meeting (AGM) of Beijer Electronics AB on 27 April 2011 resolved to implement a 3:1 stock split, such that each share is split into three shares of the same class. On the basis of the authorization from the AGM, the Board of Directors has now set a date for effecting the split as follows.

The record date for the split will be June 29, 2011, which means that the last day of trading prior to the split will be June 23, 2011. The first day of trading in the split shares will be June 27, 2011.

Important dates

Last day of trading prior to the split	June 23, 2011
First day of trading in the split shares	June 27, 2011
Record date for the split	June 29, 2011

The shares obtained through the split are expected to be entered in securities accounts on June 30, 2011, which is the day after the record date.

The split will be carried out automatically by Euroclear and shareholders need take no action. After the split the number of shares in the company will amount to 18,934,464.
