## Change in number of shares and votes in Beijer Electronics Group

As per 31 July 2020, the total number of shares in Beijer Electronics Group AB (publ) amounts to 28,852,400, divided into 28,627,219 ordinary shares and 225,181 class C shares, corresponding to a total of 28,649,737.1 votes.

The change in number of shares and votes is due to the conversion of 25,840 class C shares, which previously have been issued and repurchased within the context of the company's incentive program LTI 2017/2020, into ordinary shares during the month of July. The number of ordinary shares has thus increased by 25,840 and the number of class C shares has decreased by as many shares. Following the conversion, the number of votes has increased by 23,256.
