Beijer Electronics Group appoints new CEO for the Beijer Electronics business entity

Kristine Lindberg is appointed new CEO for the Beijer Electronics business entity within Beijer Electronics Group.

Kristine Lindberg joins from the Nord-Lock Group where she held the position of Regional Sales Director Asia Pacific and was a member of the Group Management Team.

Prior to this Kristine spent 17 years with Alfa Laval in a wide variety of senior and leadership positions within the Energy and Marine Divisions, latterly as Vice President Marine Division Southeast Asia. Kristine holds an MSc in Chemical engineering from Lund University.

Kristine will be part of the Beijer Electronics Group Management team and will report to Jenny Sjö Dahl, President and CEO of Beijer Electronics Group. The appointment is effective from April 3rd, 2023.

"I am very pleased to welcome Kristine to the company. Her extensive industrial experience close to customers will contribute to the next steps in building an even stronger Beijer Electronics business", says Jenny Sjö Dahl.

Stefan Lager will leave the company after seven years, during which period the company has undergone a transformation and is now in a position to continue its development with a strong platform for future growth.

"I would like to thank Stefan for his important contribution over the years and wish him every success in the future", says Jenny Sjö Dahl.
